## CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

AND  
CHANGE IN BOARD LOT SIZE  
AND  
PROPOSED CAPITAL REDUCTION AND SUB-DIVISION  
AND  
NOTICE OF FRESH EXTRAORDINARY GENERAL MEETING**

**INTRODUCTION**

Reference is made to the Announcements, the Circular and the EGM Notice relating to the proposed share consolidation, change in board lot size, the proposed capital reduction and the sub-division.

\* For identification purpose only

## LETTER FROM THE BOARD

The purpose of this circular is to provide you with, among other things, further information on the proposed Share Consolidation, change in board lot size, the proposed Capital Reduction and the Sub-division and a notice of the Fresh EGM.

### **BACKGROUND**

The Board proposed in the announcement dated 6 December 2012 and in the Circular the then proposal on, inter alia, a share consolidation.

Pursuant to the articles of association of the Company, the Board convened the EGM for approving, inter alia, the share consolidation. However, at the EGM, both the ordinary resolution and the special resolution set out in the EGM Notice were not passed by the Shareholders, the then proposal on, inter alia, the share consolidation was therefore not carried out as planned.

### **PROPOSED SHARE CONSOLIDATION**

In communicating with the Stock Exchange under various circumstances, the Board understands that fund raising activities may thus be affected if the market price of the Company's Shares continuously approaches the extremities of HK\$0.01.

As a responsible Board to protect the interests of both the Company and the Shareholders by furnishing the Company with the opportunity to carrying out fund raising activities when so needed, the Directors propose once again to effect the Share Consolidation on the basis that every forty (40) Shares of HK\$0.01 be consolidated into one (1) Consolidated Share of HK\$0.40 each.

As at the Latest Practicable Date, the authorized share capital of the Company is HK\$200,000,000 divided into 20,000,000,000 Shares, of which 9,167,149,000 Shares are in issue and fully paid. Upon the Share Consolidation becoming effective, the authorized share capital of the Company will become HK\$200,000,000 divided into 500,000,000 Consolidated Shares.

Up to the Latest Practicable Date, the Company has no agreement, arrangement, intention or negotiation about any fund raising activities.

### **Conditions of the Share Consolidation**

The Share Consolidation will be conditional upon the following:

- (a) the passing of an ordinary resolution by the Shareholders at the Fresh EGM to approve the Share Consolidation; and
- (b) the GEM Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares to be issued and allotted upon the Share Consolidation becoming effective.

## LETTER FROM THE BOARD

### **Reasons for the Share Consolidation**

Pursuant to Rule 17.76 of the GEM Listing Rules, where the market price of the securities of the issuer approaches the extremities of HK\$0.01 or HK\$9,995.00, the Stock Exchange reserves the right to require the issuer either to change the trading method or to proceed with a consolidation or splitting its securities. In view of the recent trading price of the Shares and at the request of the Stock Exchange, the Board proposes to effect the Share Consolidation in order to comply with the trading requirements of the Listing Rules. It is expected that the Share Consolidation would bring about a corresponding upward adjustment in the trading price of the Consolidated Shares.

The Directors consider that the Share Consolidation is in the interests of the Company and the Shareholders as a whole.

### **EFFECTS OF SHARE CONSOLIDATION**

Other than the expenses, including professional fees and printing charges, to be incurred in relation to the Share Consolidation, which is estimated at approximately HK\$160,000, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Company or result in any change in the rights of the Shareholders, save for any fractional Consolidated Shares to which Shareholders may be entitled. The Consolidated Shares shall rank *pari passu* in all respects with each other.

### **Listing Application for Consolidated Shares**

An application will be made by the Company to the GEM Listing Committee of the Stock Exchange for the listing of, and the permission to deal in, the Consolidated Shares to be in issue upon the Share Consolidation becoming effective.

Save as the above application for the listing of and permission to deal in the Consolidated Shares on the Stock Exchange, no part of equity or debt securities of the Company is listed or dealt in on other stock exchange.

### **Exchange of share certificates arrangement**

Should the Share Consolidation become effective, Shareholders may, during the period from 26 March 2013 to 7 May 2013 (both days inclusive) during the business hours, submit existing certificates for the Shares in yellow colour to the Company's branch share registrar, Tricor Tengis Limited, 26/F., Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong for exchange, at the expense of the Company, for new share certificates in blue colour for the Consolidated Shares. It is expected that the new certificates for the Consolidated Shares will be available for collection within 10 Business Days after the submission of the existing share certificates to the branch share registrar of the Company for exchange. Thereafter, certificates for existing Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such other amount as may from time to time be allowed by the Stock Exchange) for each new certificate issued for Consolidated Shares. Existing certificates for the Shares will cease to be good for delivery but will continue to be good evidence of legal title and may be exchanged for certificates for the Consolidated Shares at any time at the expense of the Shareholders.

## LETTER FROM THE BOARD

### **CHANGE IN BOARD LOT SIZE**

The Shares currently traded in board lots of 40,000 each. The Company proposes to change the board lot size of the Consolidated Shares to 10,000 each upon the Share Consolidation becoming effective.

### **Odd lot arrangements and fractional Consolidated Shares**

In order to alleviate the difficulties arising from the existence of odd lots of the Consolidated Shares, the Company has agreed to procure an arrangement with Cheong Lee Securities Limited to stand in the market to provide matching services for the odd lots of the Consolidated Shares on a best effort basis. Holders of odd lots of Consolidated Shares who wish to take advantage of this trading facility to dispose of or top up odd lots should contact Mr. Hung Hing Man at (852) 3426 6324 of Cheong Lee Securities Limited at Room 1106, 11th Floor, Mass Mutual Tower, 38 Gloucester Road, Wanchai, Hong Kong during the period from 12 April 2013 to 3 May 2013, both days inclusive.

Holders of Consolidated Shares in odd lots should note that successful matching of the sale and purchase of odd lots of Consolidated Shares will not be guaranteed. Shareholders are advised to consult their professional advisers if they are in doubt about the above arrangement.

Fractional Consolidated Shares will be disregarded and not issued to the Shareholders, but all such fractional Consolidated Shares will be aggregated and, if possible, sold for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Shares regardless of the number of share certificates held by such holder.

### **PROPOSED CAPITAL REDUCTION AND SUB-DIVISION**

Subject to the Share Consolidation becoming effective, the Board proposes to effect the Capital Reduction pursuant to which the par value of each of the issued Consolidated Shares will be reduced from HK\$0.40 to HK\$0.01 each by cancelling the paid-up capital to the extent of HK\$0.39 per issued Consolidated Share resulting each issued Consolidated Share of HK\$0.40 each be treated as one fully paid-up New Shares of HK\$0.01 each in the capital of the Company and any liability of the holders of such shares to make any further contribution to the capital of the Company on each such share shall be treated as satisfied and that the amount of issued capital thereby cancelled be made available for issue of New Shares in the Company. As such, the authorized share capital of the Company of HK\$200,000,000 shall remain unchanged upon the Capital Reduction and the Sub-division becoming effective. Part of the credit arising from such reduction will be applied towards cancelling the accumulated losses of the Company as at the effective date of the Capital Reduction, while the balance will be transferred to a distributable reserve account of the Company where it may be utilized by the Directors in accordance with the articles of association of the Company and all applicable laws.

## LETTER FROM THE BOARD

The following table shows the amount of issued share capital of the Company, changes in the distributable reserve and accumulated losses of the Company before and after the Share Consolidation and Capital Reduction:

	<b>Before Share Consolidation and Capital Reduction</b>	<b>After Share Consolidation and Capital Reduction</b>
	<i>(HK\$)</i>	<i>(HK\$)</i>
Issued share capital	91,671,490	2,291,787
Distributable Reserve Account	639,969,146 <sup>(note)</sup>	729,348,849
Accumulated losses (unaudited)	63,894,934 <sup>(note)</sup>	–

*Note:* as at 30 September 2012

Immediately following the Capital Reduction becoming effective, each authorized but unissued Consolidated Share will also be sub-divided into 40 New Shares with a par value of HK\$0.01 each.

On the basis of the existing issued share capital of the Company and assuming no further issue of new Shares from the Latest Practicable Date up to the date on which the Shares after the Share Consolidation and up to the date on which the Capital Reduction and the Sub-division becoming effective. The authorized share capital of the Company will be HK\$200,000,000 divided into 20,000,000,000 New Shares with a par value of HK\$0.01 each, of which 229,178,725 New Shares will be in issue.

All New Shares will rank pari passu in all respect with each other and be subject to the restrictions contained in the Company's memorandum and articles of association. Other than the expenses to be incurred in relation to the Capital Reduction and Subdivision, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Company or the interests or rights of the Shareholders.

### **Conditions of the Capital Reduction and the Sub-division**

The Capital Reduction and the Sub-division are conditional upon the following:

- (1) the Share Consolidation becoming effective;
- (2) the passing of the necessary resolution by the Shareholders approving the Capital Reduction and the Sub-division at the Fresh EGM;
- (3) the Court approving the Capital Reduction and compliance with any conditions the Court may impose;

## LETTER FROM THE BOARD

- (4) the registration of the Court's order confirming the Capital Reduction and minute approving by the Court containing the particulars required under the Companies Laws of the Cayman Islands with respect to the Capital Reduction and the Sub-division with the Registrar of Companies of the Cayman Islands;
- (5) the GEM Listing Committee of the Stock Exchange granting approval for the listing of, and permission to deal in, the New Shares to be in issue upon the Capital Reduction and the Sub-division becoming effective; and
- (6) the holders of the Convertible Bonds approving the Capital Reduction.

An application will be made by the Company to the GEM Listing Committee of the Stock Exchange for the listing of, and the permission to deal in, the New Shares to be in issue upon the Capital Reduction and the Sub-division becoming effective.

The Capital Reduction shall become effective upon registration of the Court order and other relevant documents with the Registrar of Companies of the Cayman Islands. The Capital Reduction will not entail any amendments to the Company's memorandum and articles of association.

### **Reasons for the Capital Reduction and the Sub-division**

The Capital Reduction and the Sub-division keep the par value of the Share at a lower level that can facilitate the Company's future fund raising activities as the Company is not allowed to issue Share below par value. Pursuant to the Company's Article of Association, it is the cost effective timing in cancelling the unaudited accumulated losses as at 30 September 2012 of approximately HK\$63,894,934 by applying part of the credit arising from the Capital Reduction other than holding another general meeting to pass special resolution to approve the elimination of the same by the existing distributable reserve. The Sub-division is necessary to sub-divide the par value of each of the authorized but unissued Consolidated Shares from HK\$0.40 to HK\$0.01 so that the par value of all issued and unissued New Shares will be HK\$0.01.

Therefore the Directors consider that the Capital Reduction and the Sub-division are in the interests of the Company and the Shareholders as a whole.

### **Exchange of share certificates**

Subject to the Capital Reduction and the Sub-division being approved by the Court and becoming effective, tentatively, Shareholders may, during the period from 16 July 2013 to 19 August 2013, submit share certificates for the Consolidated Shares to the Company's branch share registrar in Hong Kong, Tricor Tengis Limited, 26/F., Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong, in exchange, at the expense of the Company, for new share certificates for the New Shares. Thereafter, share certificates for the then Consolidated Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such higher amount as may be allowed by the Stock Exchange from time to time) for each share certificate issued or cancelled, whichever is higher. Nevertheless,

## LETTER FROM THE BOARD

share certificates for the then Consolidated Shares will not be acceptable for trading purposes but will continue to be good evidence of legal title and may be exchanged for new share certificates for the New Shares at any time.
