CHARACTERISTICS OF GEM

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website at www.hkgem.com in order to obtain up-to-date information on GEM-listed issuers.

This is an explanatory statement given to all Shareholders relating to the resolution no. 4 (B) to be proposed at the AGM regarding the general mandate to repurchase Shares.

The explanatory statement contains all the information required pursuant to Rule 13.08 of the GEM Listing Rules.

1. EXERCISE OF THE GENERAL MANDATE TO REPURCHASE SHARES

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,214,749,000 Shares, and the Company has 70,500,000 outstanding share options under the share option scheme adopted by the Company on 20 February 2002 and effective on 7 March 2002.

If the resolution no. 4(B) authorising the Directors to repurchase Shares is passed at the forthcoming AGM, and assuming that none of the outstanding share options of the Company is exercised and no new Shares is issued prior to the date of passing of the said resolution, based on the 1,214,749,000 Shares in issue as at the Latest Practicable Date, up to 121,474,900 Shares, representing 10% of the existing issued share capital of the Company may be repurchased by the Company, during the period from the date of passing of the resolution no. 4(B) and ending on either the date of the next annual general meeting of the Company, the date by which the next annual general meeting of the Company is required to be held by the articles of association of the Company or applicable laws of the Cayman Islands or the date upon which the resolution no. 4(B) is revoked or varied by the Shareholders in general meeting (whichever is the earliest).

2. REASONS FOR REPURCHASE OF SHARES

The Directors believe that it is in the best interests of the Company and the Shareholders for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares in the market at any appropriate time. Such repurchase may, depending on market conditions and funding arrangements at that time, lead to enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

3. FUNDING OF REPURCHASE OF SHARES

Repurchases must be funded out of funds legally available for the purpose in accordance with the articles of association of the Company, the GEM Listing Rules and the laws of the Cayman Islands and Hong Kong. The Company may not repurchase the Shares on the GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

It is envisaged that the funds required for any repurchase of the Shares would be derived from the capital paid up on the Shares being repurchased and from the distributable profits of the Company.

4. GENERAL

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the financial statements contained in the annual report of the Company for the year ended 31 March 2008) in the event that the proposed repurchase of Shares was to be carried out in full at any time during the proposed repurchase period. However, the Directors expect to exercise such mandate if and to such extent only as they are satisfied that the exercise thereof will not have such a material adverse impact.

5. SHARE PRICES

The highest and lowest prices at which the Company's Shares have traded on the Stock Exchange during each of the previous twelve months prior to the Latest Practicable Date were as follows:

Period	Traded Prices Per Share	
	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
June 2007	0.250	0.164
July 2007	0.240	0.190
August 2007	0.225	0.128
September 2007	0.180	0.108
October 2007	0.410	0.150
November 2007	0.460	0.255
December 2007	0.315	0.231
January 2008	0.255	0.135
February 2008	0.229	0.135
March 2008	0.220	0.140
April 2008	0.345	0.171
May 2008	0.385	0.285
June 2008 (up to the Latest Practicable Date)	0.325	0.275

6. HONG KONG CODE ON TAKEOVERS AND MERGERS

If, as the result of the repurchase of the Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (as defined in the GEM Listing Rules), could, depending on the level of increase of shareholding interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchase pursuant to the general mandate to repurchase Shares.

As at the Latest Practicable Date, the substantial shareholders of the Company were as follows:

Name of Shareholder	No. of the Shares interested in	Approximate percentage of existing shareholding	Approximate percentage of shareholding if exercised in full the power to repurchase
Manistar Enterprises Limited	643,364,070	52.96%	58.85%
CCT Telecom Holdings Limited (<i>Note</i>)	643,364,070	52.96%	58.85%

Note: The interests disclosed comprised 643,364,070 Shares beneficially owned by Manistar Enterprises Limited, which is a wholly-owned subsidiary of CCT Telecom Holdings Limited.

In the event that the Directors shall exercise in full the power to repurchase Shares in accordance with the terms of the resolution no. 4(B) to be proposed at the AGM and assuming none of the outstanding share options of the Company is exercised and no further Shares is issued, allotted or repurchased by the Company prior to the AGM, the total interests of the above substantial shareholders of the Company would be increased to approximately the respective percentages shown in the last column above. The Directors are not aware of any consequence which would give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code as a result of such repurchases. However, the Directors do not have the intention to exercise the power to repurchase Shares to an extent which would make any of the substantial shareholders to be obliged to make a mandatory offer under Rule 26 of the Takeovers Code in this respect.

7. CONNECTED PERSONS

No connected person has notified the Company that it has a present intention to sell any of the Shares to the Company, or has undertaken not to do so, if the general mandate to repurchase Shares is exercised.

8. DIRECTORS

None of the Directors or, to the best of their knowledge, having made all reasonable enquiries, their associates have any present intention to sell any of the Shares to the Company or its subsidiaries if the general mandate to repurchase Shares is exercised.

The Directors have undertaken to the Stock Exchange that they will exercise the general mandate to repurchase Shares should it be granted in the forthcoming AGM, in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands, the jurisdiction in which the Company is incorporated.

9. REPURCHASED SHARES

The Company has made no repurchases of its own Shares (whether on the GEM or otherwise) in the six months preceding the Latest Practicable Date.
